Instructions for Students

Cross-Registration is open to matriculated students within the member institutions of the Associated Colleges of the St. Lawrence Valley. Full-time students may cross-register for a maximum of two (2) courses per academic year (fall and spring semesters only), totaling no more than 8 credits. Exceptions to this limitation may be made by the Host Institution. For a full list of rules and regulations governing Cross-Registration, please visit <http://www.associatedcolleges.org/services/crossregistration.htm>

Steps to Cross Register:

1. After a student has identified a course for which they wish to cross register, the student must obtain any required signatures on the cross-registration form. This approval ensures that the course satisfies the student's program and credit-hour requirements, the course is unavailable at the home campus, and the student meets all course pre-requisites.
2. The completed Cross-Registration form must be returned to the Registrar's Office at the student's Home Institution.*
3. **Cross-Registration is offered on a space-available basis only.** Students will be notified one week prior to the start of the class if space in the class is not available. In this case, the student may have the option of obtaining permission to enroll in the class from the course instructor by completing an add/drop form. The add/drop form can be obtained from, and should be returned to the Registrar's office at the Host institution.
4. At the completion of the course, the Host Institution will provide a transcript to the Home Institution (at no cost to the student) for transfer credit purposes.

In general, the institutions in the consortium schedule different start and end dates, and vacations. The student is responsible for arranging to keep up with coursework despite calendar disjunctions and, in some cases, must arrange for food and lodging when residence halls at their Home Institution are closed.

Students will be enrolled as part-time, non-matriculated students at the Host Institution, and must abide by the Host Institution's attendance regulations, honor systems, parking regulations, etc. Students must also adhere to the Host Institution's policies and procedures for incompletes, withdrawals, pass/fail, or adding or dropping a cross-registered class.

*Students cross-registering in ROTC program courses should return their paperwork to the ROTC program chair.
