

Key Dates – Spring 2023: Associated Colleges

The purpose of this document is to notify local STLC county businesses of key dates of anticipated visitors at the four colleges. This resource is intended to provide businesses with information on high tourism traffic times, as a means to notify when to staff appropriately/open. This does not guarantee visitors will be utilizing local services. It serves as a guide of key dates of when there may be a potential increase in local tourism. The below event dates are in addition to the shared [academic calendar](#) for the Associated Colleges.
