By signing this form, Bidder acknowledges (a) that the IFB instructions are understood; (b) that the Bidder is committed to servicing ACSLV/SUNY's needs in the required time period; and (c) that all information required by this IFB has been included in Bidder's bid.

Section 2: Overview

Chartered by the New York State Board of Regents in 1970, the Associated Colleges of the St. Lawrence Valley is an independent not-for-profit 501(c)3 educational consortium with four members: Clarkson University, St. Lawrence University, the State University of New York at Canton (SUNY Canton), and the State University of New York at Potsdam (SUNY Potsdam). The Associated Colleges of the St. Lawrence Valley (hereafter referred to as ACSLV) is soliciting bids for a **five-year contract** for bus transportation to transport athletic teams for the four universities to meet their sports schedules.

ACSLV would like to contract with one firm that will provide, operate and maintain buses as described in Part II, Specifications, for the safe, comfortable and dependable transportation of our athletic programs.

Designated contact for the ACSLV and member institutions is Karen Kus and the backup contact is Susie Cobb. (Contact information can be found in Section I.)

The results of this IFB will be used to award a **5-year contract** to the Bidder determined to be most qualified.

Section 3: Background

Project Description

As the ACSLV is a consortium of Clarkson University, St. Lawrence University, SUNY Canton, and SUNY Potsdam, and is pursuing this service on the behalf of its member institutions, and as SUNY Canton and SUNY Potsdam are governed by and a part of the State University of New York and are New York State agencies, this IFB may refer to the soliciting party(ies) as the ACSLV, its members, the State University of New York (SUNY), and the State of New York, or some combination thereof, and these terms should be considered interchangeable for the purposes of this IFB as appropriate. New York State Finance Law and other contracting laws and regulations apply to this IFB due to SUNY Canton's and SUNY Potsdam's membership in the ACSLV, and said New York State contracting protocols are therefore incorporated into this IFB.

Each member institution shall coordinate directly with the Contractor, including but not limited to providing trip schedules, receiving invoices, making payments in response to invoices, addressing customer service issues with the Contractor, and coordinating all travel logistics.

Section 5.1: Mandatory Services

1. Trip Schedule

Athletic contest destinations and schedules for the coming academic year will be provided to the contractor in advance of the commencement of services / academic year. Please be aware that while the ACSLV and its members will consider provided schedules to be accurate as of the time of their submission, unforeseen changes may occur. Cancellations may occur and additions may be required to accommodate for inclement weather or post-season games, such as NCAA and SUNYAC Tournaments or playoff games. Therefore, schedules are not to be considered firm, but rather as projected schedules provided for planning purposes. The

ACSLV members' Intercollegiate Athletic Departments will work closely with the selected contractor to confirm and schedule, with as much advance notice as possible (all anticipated trips) to ensure a positive working relationship.

- a. Each trip will involve destination transportation (e.g., stopping for meals for the athletic teams).
- b. All buses will be at the pick-up location(s) for loading thirty (30) minutes prior to departure time. The contractor must notify the College if it is unable to arrive by the scheduled departure time.
- c. Drivers shall pick up and drop off passengers at any requested location(s) on the universities' campuses. Campus pick up locations are subject to change based on the needs of the ACSLV members' athletic teams.
- d. Because the dates and destinations for some events may change due to circumstances beyond the control of the ACSLV and its members, the ACSLV and its members reserve the right to change dates and destinations, with the cooperation and assistance of the Contractor.
- e. No additional charges will be allowed by the ACSLV and its members other than those specified herein. If dates and destinations change, then the ACSLV and its members and the Contractor will mutually determine an agreeable price based on the unit prices quoted in the Pricing Sheet.
- f. **Trip cancellation: If games are canceled, the Contractor agrees that the ACSLV members will cancel the bus without penalty four (4) hours in advance, giving as much advance notice as possible.** In addition, in such cases where cancellation is necessary due to unforeseen circumstances, the following shall apply:
 - i. If the Contractor is notified of a cancellation more than four (4) hours prior to the scheduled departure time, the Contractor shall not be entitled to any reimbursement
 - ii. If the Contractor is notified of a cancellation less than four (4) hours prior to the projected departure time, the Contractor shall be entitled to the applicable flat Hourly Usage Charge quoted on the Pricing Form submitted with Contractor's response to this IFB.
 - iii. In case of a mechanical failure or any other delay except an Act of God, the bus company will be responsible for the arrival of the team(s) at the proper destination at the appropriate time.
- g. In the event games/events are cancelled due to "weather conditions", the ACSLV members will notify the bus company at least one hour prior to the load time, and will compensate the Company \$250.00 of the trip.
- h. On the return to campus, athletes will be transported to their athletic facilities.
- i. Tardiness: Should the Contractor arrive more than one (1) hour late, all charges connected with alternative arrangements, either made by the ACSLV, its members or Contractor will be the responsibility of the Contractor.

2. Equipment Service

- a. The Contractor shall be responsible for all maintenance and repair of the bus. In addition, the **Contractor must provide a contingency plan in the event of a bus breakdown.**
- b. The Contractor shall be responsible for coordinating any additional bus required for trip completion. Bus must be in route within two (2) hours of bus breakdown.
- c. The Contractor shall be responsible for any and all reasonable costs associated with the bus breakdown, including, but not limited to, necessary layover expenses incurred by bus passengers, such as hotel accommodations, meals, and alternative transportation. The Contractor will not bill the ACSLV or its members for the quoted cost of trips in the event that teams do not reach the scheduled contests at the time required for play as a result of breakdown.
- d. The Contractor shall ensure both the interior and exterior of all buses are adequately maintained and in a clean condition.

3. Damage to Equipment

- a. The ACSLV members will be responsible for damages caused by their passengers that are willful or malicious and cause destruction or require excessive or other-than-normal cleaning service.
- b. The ACSLV and its members will not be responsible for damage caused by normal wear and tear.
- c. The Contractor must report all damages no later than the first business day following such an incident.

4. Billing for Successful Contractor

Prices shall be net as indicated on the bid sheet. Bidders must enter a unit cost for each item and calculate the total cost for the item based upon the estimated time and mileage provided. The ACSLV and its members make no guarantee as to the actual time and mileage that are incurred in providing the service.

The ACSLV and its members will decide the size of the bus to be provided and will pay for the actual transportation provided based upon the unit prices quoted on the bid sheet.

The formula for trip cost calculation follows. Trips costs are calculated by comparing distances to time and using the greater of the two. No deadhead charges will be allowed. Applicable ferry charges do not include any use of ferry for deadhead. Trips that last an entire 15-hour day, which is the maximum allowed by NYS DOT law, shall be billed at the daily usage charge or mileage, whichever is greater. Trips lasting less than 15 hours shall be billed at the hourly usage charge or mileage, whichever is greater. (Note: A full day trip is defined as 15-hour day, 10-hours driving time, and an 8-hour rest assumed for driver as per NYS DOT Law.)

Single Day Trip:

of hours designated campus to designated campus x the appropriate hourly rate
 Or if greater # of miles from designated campus to designated campus x the appropriate mileage rate
 Plus Actual cost of tolls and parking fees (based upon receipts provided)
 Plus /minus Applicable fuel de-escalation/escalation (as defined below)
 Plus Any applicable relief driver expenses.

One-Way Transfer:

of hours from garage to garage x the appropriate hourly rate
 Or if greater 6-hour minimum charge x the appropriate hourly rate
 Plus Actual cost of tolls and parking fees (based upon receipts provided)
 Plus Any applicable relief driver expenses

Multi-Day Trip:

of days from designated campus to designated campus x the appropriate daily rate
 Or if greater # of miles from designated campus to designated campus x the appropriate mileage rate
 Plus actual cost of tolls and parking fees (based upon receipts provided)
 Plus/minus applicable fuel de-escalation/escalation (as defined below)
 Plus any applicable relief driver expenses

A fuel de-escalation/escalation will be applied to each trip utilizing the New England average diesel pump price from the Monday afternoon prior to each trip's departure when the price is 10% above or 10% below the base rate of \$4.32 per gallon. The link to the New England average diesel price is:

<https://www.eia.gov/petroleum/gasdiesel/>

The following formula will be utilized to determine the amount of the surcharge when the fuel cost is greater than \$4.75 per gallon:

Current fuel cost – base rate per gallon x 20% x total number of trip miles

Example: Fuel is \$5.00/gallon and trip was 600 miles
 $\$5.00/\text{gallon} - \$4.32 = \$0.68/\text{gallon} \times 20\% = \$0.09/\text{mile}$
 $600 \text{ miles} \times \$0.09 = \$54.00 \text{ surcharge}$

The following formula will be utilized to determine the amount of fuel cost deduction when fuel cost is below \$3.89/gallon:

Current fuel cost x 20% times total number of trip miles

Example: Fuel is at \$3.00/gallon and trip was 600 miles
 $\$3.89/\text{gallon} - \$3.00/\text{gallon} = \$0.89 \text{ gallons} \times 20\% = \$0.18/\text{mile}$
 $600 \text{ miles} \times \$0.18 = \$108.00 \text{ trip cost reduction}$

1. The Contractor will have the right to review pickup and departure times to ensure prompt arrival of the teams at their competition destinations. The driver must work with ACSLV member officials and/or coaches to be available for any local transportation required at the trip destination, e.g. meals, etc. The ACSLV members will inform the Contractor of details regarding overnight accommodations of the student athletes and coaches and will make the hotel reservation for Contractor's driver(s). The ACSLV members will be responsible for paying the cost of hotel accommodations for its driver(s).
2. The Contractor will be responsible for the following:
 - Driver meals, incidentals, and gratuities
 - Fuel and repair parts and labor
 - Traffic fines and penalties, including those for moving violations or mechanical failures.
3. Lodging cost for the bus driver will be paid by the college.
4. No other fees or costs will be allowed to be added on to the invoicing to the ACSLV or its members.
5. Bidders must supply at the end of the academic year a summary of all travel that includes cumulative hours, days, and mileage charged for all trips for each university.

7. Submit six (6) hard copies of your bid and one (1) flash drive. Bids must be by the due date and time and to the primary contact provided on the Summary Information Form. Bidders mailing their bids must allow sufficient time to ensure receipt by the due date and time. Bidders are cautioned that even when using a trackable mailing/courier/messenger service, bids must be received by the due date and time. While bids may be signed for by personnel at ACSLV prior to the due date and time, this does not guarantee that the identified office will receive the bid by the due date and time.
8. Late Bids For purposes of Bid openings, a Bid must be received at the contact's address as set forth in the Summary Information Form on or before the bid due date as set forth in the Summary Information Form. 9. All prices and conditions must be included in the original bid. Prices and conditions not included in the original bid will be rejected.
10. The submission of a bid constitutes a non-revocable, binding offer to perform and provide said services. Section 10: Other Bid Requirements

Section 10.1: Determination of Vendor Responsibility

New York State procurement law requires that state agencies award contracts only to responsible Bidders. Additionally, the New York State Comptroller must be satisfied that a proposed Contractor is responsible before approving a contract award under Section 112 of the State Finance Law. Section 163 of the New York State Finance Law ("SFL") requires that contracts for services and commodities be awarded on the basis of lowest price or best value "to a responsive and responsible Bidder." Section 163 (9)(f) of the SFL requires that prior to making a contract award, each contracting agency shall make a determination of responsibility of the proposed Contractor. In accordance with these procurement laws, ACSLV/SUNY will conduct an affirmative review of vendor responsibility for all organizations or firms with which it conducts business.

In response to this section, Bidders and all proposed subcontractors who may receive more than \$100,000 over the life of the contract are required to file the required Vendor Responsibility Questionnaire online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the VendRep System, see the VendRep System Instructions on the Office of State Comptroller (OSC) website, available at: www.osc.state.ny.us/vendrep or go directly to the VendRep System online at <https://portal.osc.state.ny.us>. For VendRep System user assistance, the OSC Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at helpdesk@osc.state.ny.us. Bidders opting to file a paper questionnaire may obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact SUNY System Administration for a copy of the paper form.

Section 10.2: Procurement Lobbying Act – State Finance Law §§ 139-j and 139-k

Prior to approval of the contract for which this IFB has been issued by SUNY, or if applicable, the Office of the State Comptroller, a Bidder shall not communicate with SUNY other than with the persons identified in this IFB as Designated Contacts or with a person who the Designated Contacts has advised the Bidder in writing is also a Designated Contact. Generally, the New York State Finance Law restricts communications between a Bidder or a person acting on behalf of a Bidder, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a "Contact") which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a contract. These restrictions apply to each contract in excess of \$15,000 during the "restricted period" (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final contract by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of contract to a vendor involved in a knowing and willful Contact.

ACSLV/SUNY has developed procedures regarding Contacts and their reporting, review and investigation. ACSLV/SUNY's procurement record must demonstrate compliance with these

procedures. A determination that a Bidder or a person acting on behalf of a Bidder has intentionally made a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k, is likely to result in denial of the award of contract under this IFB. Additional sanctions may apply. A complete copy of SUNY's Procurement Lobbying Policy and Procedure and its accompanying forms is available for review at http://www.suny.edu/sunypp/documents.cfm?doc_id=430

In response to this section, **complete and submit Attachment 4, Procurement Lobbying Act Certification.**

Section 10.3: Non-Collusive Bidding Certification

In response to this section, **complete and submit a completed Attachment 5, Non-collusive Bidding Certification.**

Section 10.4: Executive Order 162 (EO 162)

Governor Cuomo's Executive Order 162 requires state contractors to disclose data on the gender, race, ethnicity, job title, and salary of employees performing work on state contracts.

Bidder agrees to submit Workforce Utilization Report (Form 7557-110) and to require the same information to be submitted by any of their subcontractors on the state contract, in such format as shall be required by ACSLV/SUNY on a monthly basis for all construction contracts and quarterly basis for all other contracts during the term of the contract. Empire State Development has provided specific details on this requirement at <https://esd.ny.gov/doing-business-ny/mwbe/mwbe-executive-order-162>.

Section 10.5: Executive Order 177 (EO 177)

The New York State Human Rights Law, Article 15 of the Executive Law, prohibits discrimination and harassment based on age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected status. The Human Rights Law may also require reasonable accommodation for persons with disabilities and pregnancy-related conditions. A reasonable accommodation is an adjustment to a job or work environment that enables a person with a disability to perform the essential functions of a job in a reasonable manner. The Human Rights Law may also require reasonable accommodation in employment on the basis of Sabbath observance or religious practices. Generally, the Human Rights Law applies to: (i) all employers of four or more people, employment agencies, labor organizations and apprenticeship training programs in all instances of discrimination or harassment; (ii) employers with fewer than four employees in all cases involving sexual harassment; and (iii) any employer of domestic workers in cases involving sexual harassment or harassment based on gender, race, religion or national origin.

In accordance with Executive Order No. 177, prior to contract award, selected Awardee must submit a certification that it does not have institutional policies or practices that fail to address harassment and discrimination as described above. ACSLV/SUNY is electing to obtain the certification with the bid documents to avoid unnecessary delay in the contract award process.

In response to this section, complete and submit Attachment 2, NYS Human Rights Law Executive Order 177 Certification.

Section 10.6: New York State Finance Law § 139-I Certification

Pursuant to N.Y. State Finance Law § 139-I, every bid made on or after January 1, 2019 to the State or any public department or agency thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, and where otherwise required by such public department or agency, shall contain a certification that the Bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of N.Y. State Labor Law § 201-g.

N.Y. State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of N.Y. State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment training materials, and further guidance for employers, can be found online at the following URL: <https://www.ny.gov/combating-sexual-harassment-workplace/employers>.

Pursuant to N.Y. State Finance Law § 139-I, any bid by a corporate Bidder containing the certification required above shall be deemed to have been authorized by the board of directors of such Bidder, and such authorization shall be deemed to include the signing and submission of such bid and the inclusion therein of such statement as the act and deed of the Bidder.

If the Bidder cannot make the required certification, such Bidder shall so state and shall furnish with the bid a signed statement that sets forth in detail the reasons that the Bidder cannot make the certification. After review and consideration of such statement, ACSLV/SUNY may reject the bid or decide that there are sufficient reasons to accept the bid without such certification.

In response to this section, complete and submit Attachment 3, New York State Finance Law § 139-I Certification.

Section 10.7: Diversity Requirements

Section 10.7.1: Equal Employment Opportunity Requirements

- a. Pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Bidder will not discriminate against any employee or applicant for employment because of race, creed, color, sex, religion, national origin, military status, sexual orientation, gender identity or expression, age, disability, predisposing genetic characteristics, domestic violence victim status, familial status or marital status. The Bidder shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest. The Bidder will state in all solicitations or advertisements for employees that, in the performance of this Contract, all qualified applicants will be afforded equal employment opportunities without discrimination.
- b. The Bidder will undertake, or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and, if awarded a Contract pursuant to this solicitation, will make and

document its conscientious and active efforts to employ and utilize minority group members and women in its work force during its legal engagement with ACSLV/SUNY.

- c. By submission of a bid or bid in response to this solicitation, the Bidder agrees with all of the terms and conditions of SUNY Exhibit A including Clause 12 - Equal Employment Opportunities for Minorities and Women and acknowledges that, if the Bidder is awarded a Contract, The Contractor is required to ensure that it and any subcontractors awarded a subcontract over \$25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

In response to this section, **complete and submit SUNY Equal Employment Opportunities (EEO) Requirements 7557-108 (Attachment 9 – EEO Staffing Plan)** identifying the anticipated work force to be utilized on the Contract. If awarded a Contract, vendor will, upon request, submit to SUNY, a workforce utilization report identifying the workforce actually utilized on the Contract, if known.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

Section 10.7.2: **Assessment of Diversity Practices**

ACSLV/SUNY seeks to engage contractors that have a demonstrated history of hiring, training, developing, promoting and retaining minority group members and women. Under 5 New York Code, Rules and Regulations (NYCRR) Part 141.1(o), diversity practices are the efforts of contractors to include New York State certified MWBEs in their business practices. Diversity practices may include past, present, or future actions and policies, and include activities of contractors on contracts with private entities and governmental units other than the State of New York.

In response to this section, complete and submit Attachment 3, Diversity Practices Questionnaire. This questionnaire elicits information about each prospective bidder in order to verify that its work environment demonstrates a strong commitment to diversity.

If this solicitation is for the services of an executive search firm, the SUNY Board of Trustees adopted a policy to establish diversity, equity and inclusiveness throughout the SUNY system. Diversity is broadly defined under that policy to include race, ethnicity, religion, sexual orientation, gender, gender identity and expression, age, socioeconomic status, status as a veteran, status as an individual with a disability, students undergoing transition (such as transfer, stop-out, international student

acclimation), and first generation students. In furtherance of this policy, all executive search firms are required to provide the following:

Attachment 4: Procurement Lobbying Act Certification

State Finance Law §§139-j and 139-k, enacted by Ch. 1 L. 2005, as amended by Ch. 596 L. 2005, effective January 1, 2006, regulate lobbying on government procurement, including procurements by State University to obtain commodities and services and to undertake real estate transactions.

Generally, the law restricts communications between a potential vendor or a person acting on behalf of the vendor, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a "Contact") which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a contract. These restrictions apply to each contract in excess of \$15,000 during the "restricted period" (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final contract by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of contract to a vendor involved in a knowing and willful Contact. Each agency must develop guidelines and procedures regarding Contacts and procedures for the reporting and investigation of Contacts. The agency's procurement record must demonstrate compliance with these new requirements.

Accordingly, neither a potential vendor nor a person acting on behalf of the vendor should contact any individual at State University other than the person designated in this solicitation as State University's Designated Contact, nor attempt to unduly influence award of the contract. State University will make a record of all Contacts, and such records of Contact will become part of the procurement record for this solicitation. A determination that a vendor or a person acting on behalf of the vendor has made intentionally a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k is likely to result in denial of the award of contract under this solicitation. Additional sanctions may apply.

Please complete the following:

1. As defined in State Finance Law §§ 139-j (1)(a), has a governmental agency made a determination of non-responsibility with respect to the Offeror within the previous four years where such a finding was due to a violation of State Finance Law §§ 139-j or the intentional provision of false or incomplete information with respect to previous determinations of non-responsibility? NO ☐ YES ☐ If yes, attach explanation
2. Has a governmental entity terminated or withheld a procurement contract with the Offeror because of violations of State Finance Law §§ 139-j or the intentional provision of false or incomplete information with respect to previous determinations of non-responsibility? NO ☐ YES ☐ If yes, attach explanation.

Bidder understands that SUNY

reserves the right to terminate any resulting contract in the event it is found that the certification filed by the Bidder in accordance State Finance Law §§139-j and 139-k was intentionally false or intentionally incomplete. Upon such finding, SUNY may exercise its termination right by providing written notification to the Bidder in accordance with the written notification terms of the contract.

State University of New York

June 21, 2023

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State or State University of New York, whether a Contractor, licensor, licensee, lessor, lessee or any other party; the State University of New York shall hereinafter be referred to as "SUNY"):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.
2. **PROHIBITION AGAINST ASSIGNMENT.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of SUNY and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. SUNY retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with SUNY. The Contractor may, however, assign its right to receive payments without SUNY's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
3. **COMPTROLLER'S APPROVAL.** (a) In accordance with Section 112 of the State Finance Law, the State Comptroller's approval is required for the following contracts: (i) goods, services, construction, and construction-related services for State University hospital or healthcare facilities which exceed \$150,000; (ii) purchases utilizing an Office of General Services (OGS) centralized contract which exceed \$200,000 (iii) goods, services, construction, and construction-related services not described in (i) or (ii) and which exceed \$75,000;

(b) If this contract exceeds the threshold amounts listed above in Paragraph 3(a), or, if this is an amendment for any amount to a contract which, as so amended, exceeds said threshold amounts, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State, and the State shall bear no liability, until it has been approved by the State Comptroller and filed in his or her office.
4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.
5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation
6. **WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State- approved sums due and owing for work done upon the project.
7. **NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of competitive bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to SUNY a non-collusive bidding certification on Contractor's behalf.
8. **INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 *et seq.*) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).
9. **SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without

limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by SUNY, its representatives, or the State Comptroller.

10. **RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as SUNY and any other agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. SUNY shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate SUNY official, in writing, that said Records should not be disclosed; and (ii) said Records shall be sufficiently identified; and (iii) designation of said Records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, SUNY's or the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to SUNY by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to SUNY or the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of SUNY contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women its workforce on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at SUNY's request, Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or sub-contractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. SUNY shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, SUNY shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

17. **SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. **PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of State Finance Law §165 (Use of Tropical Hardwoods), which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in Section 165 of the State Finance Law. Any such use must meet with the approval of the State, otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to SUNY;

(b) The Contractor has complied with the Federal Equal Employment Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act of 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain.

NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa, § 899-bb, and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal or similar services, then in accordance with Section 163(4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to SUNY, the Department of Civil Service and the State Comptroller.

24. PURCHASES OF APPAREL AND SPORTS EQUIPMENT. In accordance with State Finance Law Section 165(7), SUNY may determine that a bidder on a contract for the purchase of apparel or sports equipment is not a responsible bidder as defined in State Finance Law Section 163 based on (a) the labor standards applicable to the manufacture of the apparel or sports equipment, including employee compensation, working conditions, employee rights to form unions and the use of child labor; or (b) bidder's failure to provide information sufficient for SUNY to determine the labor conditions applicable to the manufacture of the apparel or sports equipment.

25. PROCUREMENT LOBBYING. To the extent this contract is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this contract the Contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the contract by providing written notification to the Contractor in accordance with the terms of the contract.

26. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this contract is a contract as defined by Tax Law § 5-a, if the Contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or SUNY discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the contract, if SUNY determines that such action is in the best interests of the State.

27. IRAN DIVESTMENT ACT. By entering into this contract, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <https://ogs.ny.gov/iran-divestment-act-2012>.

Contractor further certifies that it will not utilize on this contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this contract, it must provide the same certification at the time the contract is renewed or extended. Contractor also agrees that any proposed Assignee of this contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the contract, should SUNY receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, SUNY will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then SUNY shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

SUNY reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

28. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

The cost of any such transfer services are included in the Contractor's bid.

8. Diesel Emissions Reduction Act of 2006 (the "Act"): If Contractor operates any diesel powered heavy duty vehicle(s) pursuant to the Agreement, Contractor certifies and warrants that all such heavy duty vehicles, as defined in New York State Environmental Conservation Law (ECL) Section 19-0323, will comply with the specifications and provisions of ECL Section 19-0323 and any regulations promulgated pursuant thereto, including but not limited to, 6 NYCRR Part 248, which requires the use of best available retrofit technology and ultra-low sulfur fuel. If needed, qualification for a waiver will be Contractor's responsibility. If applicable, annually, but no later than March 1st, Contractor shall complete and submit directly to SUNY, via electronic mail, the "Regulated Entity and Contractor Vehicle Inventory Form" and "Regulated Entity and Contractors Annual Report Form" that can be found at the New York State Department of Environmental Conservation ("DEC") website: <http://www.dec.ny.gov/chemical/4754.html>. SUNY reserves the right to require Contractor to periodically certify compliance with the provisions of ECL Section 19-0323.

9. Dispute Resolution: At the option of SUNY, the parties shall use good faith efforts to amicably resolve any dispute arising under this Agreement. If the parties are unable to amicably resolve the dispute within thirty (30) days, then either party may seek legal or equitable redress.

10. Electronic and Information Technology (“EIT”) Accessibility:

- a) SUNY is committed to providing an accessible, usable, and integrated experience for all its students, staff and community. Electronic and information technology (“EIT”) consists of information technology and any equipment or interconnected system or subsystem of equipment that is used in the creation, conversion, or duplication of data or information that will be deployed in connection with such technology, equipment or systems. Further, EIT includes, but is not limited to, telecommunications products, information kiosks and transaction machines, Internet and Intranet websites, web-delivered content, software, electronic books and electronic book reading systems, search engines and databases, multimedia, classroom technology, and office equipment.
- b) Contractor warrants that (i) Web-based EIT products provided under this Agreement shall conform to Web Content Accessibility Guidelines (“WCAG”) 2.1 AA and (ii) non-web-based EIT products provided under this Agreement shall meet or exceed the applicable accessibility requirements of section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794d), and its implementing regulations set forth at Title 36, Code of Federal Regulations, Part 1194.
- c) Contractor agrees to provide evidence of compliance with these requirements before this Agreement becomes effective and any other time upon reasonable request of SUNY. Contractor will provide accessibility testing results and written documentation verifying accessibility. In the event EIT provided under this Agreement does not fully conform to the standards set forth above, Contractor will promptly advise SUNY in writing of the non-conformance and provide detailed information regarding the plans to achieve conformance, including but not limited to an intended timeline. Contractor agrees to promptly respond to and resolve any complaint regarding accessibility of its products or services.
- d) Failure to comply with these accessibility standards shall constitute a breach of this Agreement. Contractor agrees to indemnify and hold harmless SUNY from any claims arising out of its failure to comply with the foregoing accessibility standards.

11. Electronic Payment Authorization: Contractor shall provide complete and accurate billing invoices to SUNY in order to receive payment for its services. Billing invoices submitted to SUNY must contain all information and supporting documentation required by SUNY and OSC. Payment for invoices submitted by Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Vice Chancellor for Business and Finance of the State University of New York or designee, in her/his sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary New York State procedures and practices. Contractor shall comply with the OSC procedures to authorize payments. . Contractor acknowledges that it will not receive payment on any invoices submitted under this Agreement if it does not comply with the OSC’s electronic payment procedures, except where the Vice Chancellor or designee has expressly authorized payment by paper check as set forth above.

12. FOIL: Contractor acknowledges that this Agreement is subject to the New York State Freedom of Information Law (“FOIL”) as set forth in Article 6 of the New York State Public Officers Law, and that only Contractor’s proprietary information that satisfies the requirements of §87(2)(d) of the Public Officers Law shall be excepted from disclosure thereunder.

13. Independent Contractor: Contractor and its agents or employees or any entity or person acting on behalf of Contractor engaged in the performance of work shall at all times be deemed to be performing as an independent contractor. Contractor hereby covenants and agrees to act in accordance with that status. Contractor and its agents or employees or any entity or person acting on behalf of Contractor shall neither hold themselves out as, nor claim to be, officers or employees of SUNY and shall make no claim for, nor be entitled to, Workers’ Compensation coverage, medical, unemployment, social security, retirement membership, or any other employment-related benefits from SUNY. Neither party shall have the right or authority to enter into binding contracts on behalf of the other.

14. Force Majeure:

Neither Contractor, SUNY, nor the State of New York shall be deemed in default of this Agreement, nor shall it hold the other Party responsible for, any cessation, interruption or delay in the performance of its obligations (excluding

payment obligations) due to earthquake, flood, fire, storm, natural disaster, act of God, an act of war whether declared or undeclared, acts or threats of terrorism, contamination by radioactivity, pressure waves from devices travelling at supersonic speeds or damage caused by any aircraft or similar device, armed conflict, labor strike, lockout, boycott, electrical, internet or telecommunications outage that is not caused by the obligated party; or government restrictions, or other force majeure or other unforeseeable circumstances beyond the control of the Parties against which it would have been unreasonable for the affected party to take precautions and which the affected party cannot avoid even by using its best efforts, provided that the Party relying upon this provision: (i) gives prompt written notice thereof to the other Party; and (ii) takes all steps reasonably necessary to mitigate the effects of the force majeure event. a) If a force majeure event extends for a period in excess of more than 90 days, either party may terminate all or any agreed upon portion of the Agreement immediately upon written notice. This Section does not excuse either party's obligation to take reasonable steps to follow its normal disaster recovery procedures, or SUNY's obligation to pay for Services provided by Contractor which have been approved by SUNY.

15. Liability and Indemnification:

- a) Contractor shall be fully liable for any act or omission of Contractor and its Staff (officers, employees, agents, subcontractors or licensees) and shall fully indemnify, defend, and hold harmless SUNY and the State, their officials, agents, and employees, without limitation, from suits, actions, damages, and costs of every name and description (including reasonable attorney's fees and expenses) arising from any act or omission of Contractor or its Staff, including bodily or personal injury (including wrongful death); damage to real or tangible personal property (including electronic systems, software and databases); damage to intellectual property; and infringement or violation of a third party's patent, copyright, license, or other proprietary or intellectual property right; provided however that Contractor shall not be obligated to indemnify SUNY for that portion of any claim, loss, or damage arising hereunder due to the negligent act or failure to act of SUNY. For third party claims, SUNY shall give Contractor:
- i. Prompt written notice of any action, claim, suit, proceeding, or threat of such action for which Contractor is liable relating to this Agreement;
 - ii. The opportunity to take over, settle, or defend any such action, claim, suit, or proceeding at the Contractor's sole expense; and
 - iii. Reasonable assistance in the defense of any such action, claim, suit, or proceeding at the expense of the Contractor.

Notwithstanding the foregoing, the State of New York reserves the right to join such action, claim, suit or proceeding at its sole expense, if it determines there is an issue involving a significant public interest.

- b) For all other claims, liabilities, and expenses arising under or related to this Agreement where liability is not otherwise set forth in this Agreement as being without limitation, and regardless of the basis on which the claim is made, the Contractor shall be liable for any act or omission of Contractor and its Staff, in an amount not to exceed, in aggregate, the greater of the dollar amount of this Agreement, or two times the charges paid to the Contractor. The Contractor shall not be responsible for loss of records or data unless the Contractor is required to back-up the records or data.
- c) Notwithstanding the above, neither party shall be liable for any consequential, indirect, or special damages of any kind that may result directly or indirectly from such performance, including, without limitation, damages resulting from loss of use or loss of profit by SUNY, the Contractor, or by others.

16. Office of Federal Contract Compliance Programs: The Contractor and any subcontractor shall abide by the requirements of 41 C.F.R. §§ 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals on the basis of protected veteran status or disability and require affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and individuals with disabilities.

17. OSHA: If applicable, the Contractor shall provide all necessary safeguards for safety and protection as set forth by the United States Department of Labor, Occupational Safety and Health Administration.

18. Piggybacking: Other New York government entities as authorized by State Finance Law and General Municipal Law, and other departments, agencies or instrumentalities of the United States government as well as any department, agency, office, political subdivision, or instrumentality of any state or state(s) who are permitted to do so by their procurement laws and regulations, may utilize the Agreement upon securing all legally-required approvals. Private

entities, cooperatives and consortia may also utilize the Agreement with the express approval of SUNY and the Contractor.

- 19. Public Announcements:** Public announcements or news releases regarding this Agreement must not be made by the Contractor without the prior written approval of SUNY.
- 20. Restrictions on the Activities of Current and Former State Officers and Employees:** All Contractor employees must be aware of and comply with the requirements of the New York State Public Officers Law, all other appropriate provisions of New York State Law and all resultant codes, rules and regulations from State laws establishing the standards for business and professional activities of State employees and governing the conduct of employees of firms, associations and corporations in business with the State. The Contractor and their employees are cautioned that the hiring of former state employees may violate the Ethics Law. The governing provisions are set forth in the New York State Public Officers Law §§ 73 and 74, and the underlying principle of law is to prevent conflicts of interest and encourage ethical behavior. The law may be found on the following website: http://www.jcope.ny.gov/about/laws_regulations.html. Failure to comply with those provisions may result in termination of the Agreement and/or other civil or criminal proceedings as required by law.
- 21. Rights in Deliverables:** The Contractor hereby assigns to SUNY ownership of all materials created by the Contractor specifically for SUNY hereunder and required to be delivered to SUNY by virtue of their description or specification as a deliverable in the Statement of Work, upon SUNY's payment in full of applicable invoices. Deliverables exclude the Contractor's proprietary tools, methodologies, and any enhancements made to such tools and methodologies, which shall remain the sole property of the Contractor, and exclude any third-party components whether or not included or embedded therein. Deliverables shall be deemed to be "works made for hire" under federal copyright laws. Notwithstanding anything to the contrary, the Contractor retains all rights to its knowledge, experience and know-how (including processes, ideas, concepts and techniques) acquired in the course of performing the Services.
- 22. Severability and Enforceability:** If any provision of this Agreement is held to be illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining portions of the Agreement, unless it prevents accomplishment of the objectives and purposes of the Agreement, which determination shall be submitted as a dispute herein. In the event of any holding that the illegality or invalidity prevents accomplishment of the objectives and purposes of the Agreement, the Parties will immediately commence negotiations to remedy such illegality or invalidity.
- 23. Subcontractors, Partners, Joint Ventures and other Third Party Participants ("Subcontractor"):**
- Prior to commencing services, the Contractor shall submit a statement to SUNY describing the portion of the work and materials which subcontractors are to perform and must furnish any other information to document that such subcontractors have the necessary facilities, skill, integrity, past experience and financial resources to perform the work in accordance with the terms and provisions of the Agreement. If SUNY finds that the subcontractors are qualified, it will so notify the Contractor within ten (10) business days following receipt of Contractor's written statement described above. If SUNY determines that a subcontractor is not qualified, it will so notify the Contractor. The Contractor must, within ten (10) business days thereafter, submit a written statement as described above with respect to other proposed subcontractors, unless the Contractor decides to do such work itself and in SUNY's opinion is qualified to do such work.
 - SUNY's approval of a subcontractor shall not relieve the Contractor of any of its responsibilities, duties and liabilities under the Agreement. The Contractor shall be solely responsible to SUNY for the acts, omissions or defaults of such subcontractors and of such subcontractors' officers, agents and employees, each of whom shall, for this purpose, be deemed to be the agent or employee of the Contractor to the extent of its subcontract. No provisions of the awarded contract shall create or be construed as creating any contractual relation between SUNY and any subcontractor or with any person, firm or corporation employed by, contracted with or whose services are utilized by the Contractor.
 - The Contractor shall be fully responsible for the administration, integration, coordination, direction and supervision of all of its subcontractors and of all work. Contractor shall check requirements of the work and coordinate and adjust as required so that conflicts in time, work space, equipment and supplies do not occur in the work being performed by the Contractor with its own employees and the work being performed by its subcontractors.
 - No subcontractor shall be permitted to work until it has furnished satisfactory evidence to SUNY of the insurance required by law.

e. The Contractor shall execute a written agreement with each of its subcontractors and shall require all subcontractors to execute with their sub subcontractors a written agreement which shall bind each to the terms and provisions of the prime contract awarded, insofar as such terms and provisions are applicable to the work to be performed by such subcontractors. The Contractor shall require all subcontractors and sub subcontractors to promptly, upon request, file with SUNY a copy of such agreements upon request, from which the price and terms of payment may be deleted.

24. SUNY Requirements for Contractor Responsibility:

a. General Responsibility: The Contractor shall at all times during the Agreement term remain responsible. The Contractor agrees, if requested by the SUNY Chancellor or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

b. Suspension of Work for Non-Responsibility: The SUNY Chancellor, in his or her sole discretion, reserves the right to suspend any or all activities under the Agreement, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Agreement activities may resume at such time as the SUNY Chancellor or his or her designee issues a written notice authorizing a resumption of performance of the Agreement.

c. Termination for Non-Responsibility: Upon written notice to the Contractor and a reasonable opportunity to be heard with appropriate SUNY officials or staff, the Agreement may be terminated by the SUNY Chancellor or his or her designee at the Contractor's expense, where the Contractor is determined by the SUNY Chancellor or his or her designee to be non-responsible. In such event, the SUNY Chancellor or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

25. Termination: The Agreement awarded to the Contractor may be terminated by SUNY for any of the following reasons:

a. Convenience of SUNY: The Agreement may be terminated at any time upon receipt of 30 days prior written notice given by SUNY for any reason or no reason.

b. Event of default: The Agreement may be terminated in the event of breach of any of its provisions by the Contractor, or if the Contractor's Services are deemed unsatisfactory in SUNY's sole discretion, due to Contractor's fault or negligence, or that of its officers, employees, subcontractors, agents, licensees, licensors, or affiliates. In such event, SUNY will send a written cure notice in accordance with the Notice provisions of the Agreement, and the Contractor shall have 30 days to correct the deficiencies noted. If the deficiencies are not corrected, SUNY may terminate this Agreement immediately upon written notice.

c. Deficient Certifications: If the Agreement has a value greater than \$15,000, SUNY shall have the right to terminate in the event the State Finance Law sections 139-j and 139-k certifications executed by the Contractor are found to be false or incomplete. If the Agreement has a value of greater than \$100,000 and Contractor's sales for the immediately preceding four quarters were greater than \$300,000, or if the Agreement has a value of \$125,000 or greater, the University shall have the right to terminate in the event the Contractor's Department of Taxation and Finance Contractor Certification form, ST 220-CA, statements are found to be false or incomplete.

d. Lack of Funds: If for any reason the State of New York terminates or reduces its appropriations to SUNY, the Agreement may be terminated or reduced at SUNY's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to SUNY for payment of such costs. In any event, no liability shall be incurred by the State (including SUNY) beyond monies available for the purposes of the awarded contract.

e. SUNY may terminate the Agreement, upon written notice, in the event of any of the following: (i) The Contractor makes an assignment for the benefit of creditors; (ii) a petition in bankruptcy or any insolvency proceeding is filed by or against the Contractor and is not dismissed within 30 days from the date of filing; or (iii) all or substantially all of Contractor's property is levied upon or sold in any judicial proceeding.

f. Upon expiration or termination of this Agreement, the Contractor shall provide SUNY with all necessary records, electronic and otherwise, in the Contractor's possession relating to the Services provided under this Agreement. At SUNY's request, the Contractor shall also make appropriate Staff available to SUNY during normal business hours to answer questions regarding such records and the Services which have been provided by the Contractor under this

Agreement. The Contractor shall cooperate to the fullest extent with any successor contractor in order to accomplish a smooth and orderly transition, so that the Services are uninterrupted and are not adversely impacted.

26. Trademarks and Service Marks: The Contractor understands and agrees that SUNY trademarks, service marks and logos are registered trademarks or owned by SUNY (the “Licensed Marks”). To the extent required by this Agreement, SUNY hereby grants to the Contractor a license to use the Licensed Marks only in connection with its work for SUNY under this Agreement. Such license shall limited to the use identified herein and shall not be construed as permission by SUNY to use its name or the Licensed Marks for any other purpose. The Contractor agrees not to use, reproduce, copy, or create materials bearing the SUNY name, logos or Licensed Marks without prior written approval and review of such materials by SUNY.

Exhibit C: SUNY Bid Submission Guidelines

1. **Article XI of NYS Finance Law:** SUNY shall receive bids pursuant to the provisions of Article XI of the State Finance Law. All bids and accompanying documentation shall become the property of the SUNY and shall not be returned.
2. **Bid Protest Procedures:** Bidders wishing to file a bid protest may do so in accordance with SUNY's procedures, available at http://www.suny.edu/sunypp/documents.cfm?doc_id=699.
3. **Confidentiality/Freedom of Information Law:** All bids submitted for SUNY's consideration will be held in confidence and will become the property of SUNY. However, the resulting contract is subject to the New York State Freedom of Information Law (FOIL), contained in Article 6 of the New York State Public Officer's Law. Therefore, if a Bidder believes that any information in its bid constitutes a trade secret, should be treated as confidential and should not be disclosed upon a request pursuant to FOIL, Bidder shall submit with its bid a separate letter addressed to SUNY (find contact information for FOIL Officers here: <https://www.suny.edu/contact/foil/campus-foil-officers/>), specifically (i) identifying the page number(s), line(s) or other appropriate designation(s) containing such information; (ii) explaining in detail why such information is a trade secret or confidential; and (iii) formally request that such information be held as confidential. Bidder's failure to submit such a letter with its bid will constitute a waiver by the Bidder of any rights it may have under Section 89(5) of the Public Officers' Law relating to protection of trade secrets. The proprietary nature of the information designated confidential by the Bidder may be subject to disclosure if ordered by a court of competent jurisdiction. A request that an entire bid be kept confidential is not advisable, because a bid cannot reasonably consist exclusively of proprietary information.
4. **Conflict of Interest:** Bidder may be requested to provide evidence that the award of a contract will not result in (i) a conflict of interest with regard to other work performed by Bidder; or (ii) a potential conflict of interest among Bidder's staff.
5. **Contract Award:** Receipt of this event does not indicate that SUNY has predetermined Bidder's qualifications to receive a contract award. A contract award, if made, shall be based on evaluation of the bid in accordance with the method of award and criteria set forth in this event. The Successful Bidder will be notified by SUNY by telephone and confirmed by letter.
6. **Encouraging Use of New York State Businesses:** New York State businesses have a substantial presence in SUNY contracts and strongly contribute to the economies of New York and the nation. In recognition of their economic activity and leadership in doing business in New York State, Bidders are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles.

Bidders need to be aware that to the maximum extent practical and consistent with legal requirements, they are strongly encouraged to use responsible and responsive New York State businesses in purchasing commodities that are of equal quality and functionality and in utilizing services and technology.

Utilizing New York State businesses in SUNY contracts will help create more private sector jobs, rebuild New York's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its New York State business partners. New York State businesses will promote the contractor's optimal performance under this contract, thereby fully benefiting the public sector programs that are supported by associated procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of New York businesses by its contractors. The SUNY therefore expects Bidders to provide maximum assistance to New York businesses in their use of the contract. The potential participation by all kinds of New York businesses will deliver great value to New York State and its taxpayers.

- 7. Acceptance of IFB Content:** The terms and conditions included in this IFB, as well as the applicable portions of Bidder's bid shall become contractual obligations if a contract is awarded with the exception of permitted extraneous terms as described under Extraneous Terms. **BIDDER'S FAILURE TO ACCEPT THESE TERMS AND CONDITIONS AND OBLIGATIONS SHALL RESULT IN REJECTION OF BIDDER'S BID.**
- 8. Extraneous Terms:** Bids must conform to the terms set forth in this event. Extraneous terms or material deviations (including additional, inconsistent, conflicting or alternative terms) may render the bid non-responsive and may result in rejection of the bid. Extraneous term(s) submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the bid or resulting Contract, but shall be deemed included for informational or promotional purposes only.
- 9. Free and Open Competition:** SUNY encourages free and open competition. Whenever possible, terms, specifications, and conditions are designed to accomplish this objective, consistent with the necessity to satisfy the SUNY's needs.
- 10. Late Bids:** A bid must be received by the date and time set forth on the Summary Information Form. A late bid is one that is not received at the location, date and time specified in this event. Any bid received at the specified location after the time specified in this event will be considered a late bid. A late bid shall not be considered for award unless: (i) no timely Bids meeting the requirements of this event are received; or; (ii) in the case of a multiple award, an insufficient number of timely bids were received to satisfy the multiple award; (iii) and acceptance of the late bid is in the best interest of SUNY. Delays in United States mail deliveries or any other means of transmittal, including couriers or agents of SUNY shall not excuse late bid submissions. Similar types of delays, including but not limited to, bad weather, or security procedures for parking and building admittance shall not excuse late bid submissions. Determinations relative to bid timeliness shall be at the sole discretion of the SUNY Chancellor or her designee.
- 11. No Claims or Rights:** By submitting a bid, Bidder agrees that it will not make any claims for, or have any right to damages because of any misinterpretation or misunderstanding of the specifications or because of any misinformation or lack of information.
- 12. Notification of Errors, Inquiries, and Interpretation:** A Bidder is responsible to bring to SUNY's attention any deviations in the technical specifications and to make recommendations for any additional requirements deemed necessary as standard, or for work indicated in the specifications contained in this event. If SUNY in its discretion finds the deviations to be significant so as to require a change in the necessary specifications for the work, SUNY will notify all Bidders in writing of the change in specifications. No deviations from the technical specifications provided herein shall be made without written approval of SUNY.
- 13. Post Award Procedures, Debriefing, and Protests:** Bidders who responded to this event will be given written notice as to whether their bid was successful or unsuccessful. Upon being notified of their unsuccessful bid, Bidders may request a debriefing in writing within 15 calendar days of such notice. The 15-day period starts once unsuccessful Bidders are notified. Upon a Bidder's request for a debriefing:
- a. SUNY will schedule the debriefing within a reasonable time of such request.
 - b. The debriefing will be conducted in person with the Bidder, unless SUNY and the Bidder mutually agree to use another method such as by telephone, video conference or another type of electronic communication.
 - c. Bidders' written request must state whether the Bidder will be attending with counsel, to allow SUNY to arrange for SUNY counsel attendance if so determined.
 - d. The debriefings will cover, but not be limited to the following:
 - i. The reason why the bid was unsuccessful.
 - ii. The quantitative and qualitative analysis that was used by the campus to assess the relative merits of the bid, bid or offer.
 - iii. How the selection criteria was applied to the unsuccessful bid.

- iv. If the request for debriefing is made prior to contract award, the debriefing shall be limited to review of that Bidder's bid.
- v. If the debriefing is held after the final award (which means OSC approval, if applicable), it, may cover the reason for the selection of the winning bid.
- vi. To the extent practicable, general advice and guidance on the ways the Bidder can improve future bid submission or be more responsive.

14. Services Outside the Scope of the Contract Awarded: SUNY shall not be responsible for any services provided by the Successful Bidder that are outside the scope of the contract awarded. SUNY shall not be responsible for any additional costs other than the costs for the services outlined herein, or for any work performed that has not been properly authorized in writing by SUNY.

15. Single Bid: More than one bid from an individual, firm, partnership, corporation or association under the same or different names will not be considered. Reasonable grounds for believing that a Bidder is interested in more than one bid for the same work will cause the rejection of all bids in which such Bidders are believed to be interested.

Encouraging the use of New York State Businesses in Contract Performance

New York State businesses have a substantial presence in SUNY contracts and strongly contribute to the economies of New York and the nation. In recognition of their economic activity and leadership in doing business in New York State, bidders/proposers/contractors for this contract for commodities, services or technology are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles.

Bidders/proposers/contractors need to be aware that to the maximum extent practical and consistent with legal requirements, they are strongly encouraged to use responsible and responsive New York State businesses in purchasing commodities that are of equal quality and functionality and in utilizing services and technology. Furthermore, bidders/proposers/contractors are reminded that they must continue to utilize small, minority and women-owned businesses, consistent with current State law.

Utilizing New York State businesses in SUNY contracts will help create more private sector jobs, rebuild New York's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its New York State business partners. New York State businesses will promote the contractor's optimal performance under this contract, thereby fully benefiting the public sector programs that are supported by associated procurements.

SUNY therefore expects bidders/proposers to provide maximum assistance to New York businesses in their use of the contract. The potential participation by all kinds of New York businesses will deliver great value to New York State and its taxpayers.
