

Fall 2026 Key Dates - Associated Colleges

The purpose of this document is to inform local businesses and organizations in St. Lawrence County of key dates and events at the four colleges, including periods when visitors are expected and campus career fairs. It provides insight into periods of anticipated high tourism traffic, helping businesses plan staffing and operations accordingly. While this guide highlights potential increases in local tourism, it does not guarantee the use of local services. These dates are supplementary to the shared [academic calendar](#) of the Associated Colleges.
